PLANNER

CHAT BOARD® Planner is the perfect, analogue planning tool for the office or home. With a „built-in“, digitally printed weekly or yearly planner grid, according to preference, it makes it both easy and fun to share and coordinate upcoming events, make a note of dates to remember and get a common overview of current and future plans.

CHAT BOARD® Planner is made with 4 mm tempered safety glass, in accordance with the highest quality standards, finished with smooth C-edges and 4 mm radius corners. Choose from 4 different sizes (1 x Week Planner / 3 x Year Planner), 32 colours and 4 languages (Danish, English, German or French), all included in the standard assortment, or have it specially made to order in other bespoke sizes, languages, schedules or standard RAL or NCS glass colours.
